

# Give up the world, Christ to obtain

Anon

Give up the world, Christ to obtain,  
He is your heart's very need;  
What else can you desire or seek?  
All things are empty indeed!

*Refrain*

*He is so rich, He is so full,  
He can fulfill all your needs!  
He is so good, He is so sweet,  
All your desire He exceeds!*

Give up the world, Christ to obtain,  
He is the One you require;  
Once you receive this glorious Christ,  
Never the rest you'll desire.

**Refrain**

Though very great is all the world,  
And very small is your heart,  
Yet the great world with all its wealth  
Never can fill your small heart.

**Refrain**

If you have Christ, you have all joys;  
Without this Christ, only pains;  
Where there is Christ there morning is;  
Where He is not, night remains.

**Refrain**
