

ONLY TWO KINDS

John 3:18-21

(Brief, add-to outline)

Introduction: Discuss the fact that there are actually only two kinds of people in the world, those who are condemned and those who are saved.

1. Discuss the misconception of: WHEN one is condemned and WHAT condemns a person.
2. Discuss there are only TWO classes of people in the whole world - believers in Jesus Christ and non-believers.
 - Trust in Jesus Christ and don't trust in Jesus Christ.
 - WHICH are YOU?
3. Discuss why people are condemned.
 - Because of dishonesty, lying, unclean, unholy, etc?
 - Condemnation is the unbelief in Jesus Christ.
4. Discuss that Jesus paid for sins - That is all but ONE!
 - The sin of turning away from Jesus Christ, refusing to believe in Him.
 - **John 5:24**
5. Discuss that Jesus (God's Son) came in person, as "LIGHT."
 - Light to reveal God, light to reveal man's true nature.
 - There is no excuse for not knowing the "light."
6. Discuss that rejection of Jesus Christ is in man's nature.
 - People are naturally wicked, evil, disobedient, etc.
 - No one has to teach children how to be mean, evil.
 - Children reject and rebel to authority and so do adults - it's natural.
7. Discuss how darkness is the opposite of light.
 - People go to great lengths to hide their acts of sin from everyone BUT God!
8. Discuss how deeds of darkness are all that is contrary to God.

CONCLUSION:

1. To be condemned one has to do nothing for he/she already is:
 - Not because of sins, for Jesus Christ paid for all those.
 - But because of UNBELIEF in Jesus Christ.
2. It is natural to rebel against God for it is one's old sin nature.
 - To continue to follow one's old sin nature is to walk in darkness and remain condemned.
3. To believe in Jesus Christ is to be given eternal life.
 - It is to go against the old sin nature.
 - It is to walk in the LIGHT.
 - It is to become obedient.
4. WHERE do YOU stand in God's sight at this very moment?
