

# **ASSURANCES TWO AND THREE**

## **The Gospel Will Be Preached to the Whole Earth**

## **The Godless Government and Religion Will Fall**

Rev. 14:6-8

Study #30

### **Introduction:**

1. The Lord Jesus is going to be victorious over the world.
2. Six events are shown to John that reveal God's victory.
3. No matter how corrupt the government and religion, they will be judged by God and doomed.

### **I. GOD WILL SEND AN ANGELIC MESSENGER**

1. The world is going to be in chaos with God's people scattered all over the world, hiding and trying to find food and shelter.
2. God's people will witness everywhere they go to anybody who will listen.
3. The Gospel message will be spread during the tribulation by believers both Gentile, Jew (especially the 144,000 evangelists), and an Angel.
4. Not a single place will be missed. Not a single language passed by.

### **II. THE GOSPEL MESSAGE WILL HAVE TWO POINTS**

1. Fear God! It would seem that the world would have learned by then that God is an awesome God. But no! God is a loving God, but He will bring judgment in His time to all unbelievers.
2. Worship God! There is no God but God. The world dictator will not be God, even though he will lead the world to worship him as such.

### **III. THE FALL OF THE GODLESS GOVERNMENT**

1. The old testament Babylon was an enemy to Israel and the same name is given by God to the world government of the last days:
  - A corrupt political system standing against God.
  - A corrupt economic system standing against God.
  - A corrupt religion standing against God.

2. Isa. 21:9; Jere. 50:2; Jere. 50:22-25; Rev. 18:2

#### **IV. THE FALL WILL COME BECAUSE THE GOVERNMENT HAS LED THE WORLD AGAINST GOD**

1. The world government will be like a prostitute who leads men into wine and intoxication and finally into seduction:
  - corruption of idolatry: The world leader and his government.
  - corruption of murder: Millions will be slaughtered because will refuse to accept the world leader as God.
  - corruption of sorcery: Life will be governed by horoscopes, astrology, witchcraft and demonic spirits.
  - corruption by fornication: Immorality will run wild, even more so than today.
  - corruption of thievery: Stealing from everybody, by everybody everywhere.
2. The world government will lead the world to pleasure, the perfect state, a glorious one-world government and religion as men have always dreamed about, but without Almighty God as its God.
3. The fury of God will fall upon such a world as will be during the last years of the tribulation. All the ungodly and evil people and nations of the world who follow the world leader will suffer the wrath and fury of God.

#### **CONCLUSION**

1. As bleak and dark as it will be during the last days, God will still offer grace and pardon to all who call upon the name of Jesus.
2. With all the multitudes slaughtered by the godless government, God will see to it that there will be a remnant of believers hidden away and safe.
3. Now is the time to find God, not during the terrible days of the tribulation. It is our duty, responsibility, calling to make sure that our world and especially our local area knows what is going to happen. That is called EVANGELISM.
