

WHO WILL GO TO HELL?

Revelation 21:8; 1 Corinthians 6:9-10; Ephesians 5:5

Introduction: Without question there is a literal Hell, created by God for those angels who rebelled, led by Lucifer in heaven before man was ever created. Any and all who sin, and who refuse to accept God's Son, Jesus, shall be cast into this place called "Hell." To be more specific, just who will go to hell?

- 1. The Fearful:** Cowardly, fear of man's opinion, those who draw back under fear of public opinion or pressure. Those ashamed to identify with Jesus, afraid to confess Jesus publicly, afraid to identify with Jesus' Church, His Christians or for His cause.
- 2. The Unbelievers:** Any and every unbeliever in the Lord Jesus Christ, no matter who or how great they may be in the eyes of humanity. "Good" people who do not believe are included, neighbors, family, friends, anybody who does not believe in Jesus Christ.
 - There is no way into heaven but through Jesus Christ.
 - There is no other opportunity to believe except during one's lifetime.
 - Every unbeliever that will be in Hell will remember the many opportunities he/she had to believe.
- 3. The Abominable:** Those who commit acts of impurity, unnatural acts, disgusting acts, degenerate acts, homosexuality, depraved acts, drunkenness, paganism, acts against human nature and divine nature.
- 4. Those who Murder:** Deliberate human life takers, violent acts of taking human life, warmongers, lovers of taking human lives.
- 5. The Whoremongers:** Fornicators, sexual activity outside the marriage bed, those who violate God's sexual law of husband and wife only.
- 6. Those who practice Sorcery:** Spiritual mediums, witches, warlocks, seance holders, horoscope readers, those who participate in such things, magicians, spiritualism which means to poison the mind and soul, implying that God is not God and spiritual guidance can be had elsewhere.
- 7. Idol worshippers:** Those who worship man's imaginative creations, who substitute man made gods, replacing Almighty God with people, things, nature.
- 8. All Liars:** Those who work deceit, slander, destroy reputations with false impressions, use untruth in any form.

CONCLUSION:

1. This passage makes it very clear that there is no second chance after death.
2. God sees two kinds of people: believers in Jesus and unbelievers.
3. Believers in Jesus have a part with God eternally in a place prepared for them called Heaven and unbelievers have a place prepared for them also and it is called Hell.
