

# Now let us all with one accord

Melody attr to Freeman Lewis, 1780-1859

Bourdon  
LM

**Now let us all with one accord,  
in company with ages past,  
keep vigil with our heavenly Lord  
in his temptation and his fast.**

**The covenant so long revealed  
to those of faith in former time,  
Christ by his own example sealed,  
the Lord of love, in love sublime.**

**Your love, O Christ, our sinful race  
has not returned, but falsified;  
author of mercy, turn your face  
and grant repentance for our pride.**

**Remember, Christ, though frail we be,  
in your own image were we made;  
help us, lest in anxiety,  
we cause your Name to be betrayed.**

**Therefore, we pray you, Christ, forgive;  
so wren our wanderings here shall cease,  
we may with you forever live,  
in love and unity and peace.**

Gregory the Great
